Memo

DATE: October 4, 2019
TO: City Commission
FROM: Amanda Morgan
City Administrator
SUBJECT: Workshop Item 3: Former Chemical Bank Building

The City Commission will discuss interest in the former Chemical Bank building with a local property/business owner.

Background Information

During a workshop on September 16th, the City Commission discussed a number of items related to the former Chemical Bank building. One of the items discussed was related to staff being contacted by a local property/business owner, Sigfredo who has expressed a great amount of interest in relocating his business into the community and more specifically into the former Chemical Bank building. The Commissioners present felt it was in the City's best interest to consider his request before taking formal action on what to do with the building.

I have invited him to attend the workshop on Monday to discuss his interest and business with the Commissioners.
